Subject: Requesting you to issue Health, Sanitary Conditions and Drinking Water Certificate.

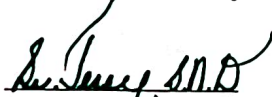

Respected Sir,

As per the norms of CBSE the school (Notre Dame Academy, Darjeeling, Affiliation number – 2430040) has to submit a Health, Sanitary Conditions and Drinking Water Certificate for the extension of Affiliation. We have installed the purifier for the drinking water for the entire school consisting 1350 students. We also have sintex water tanks for students and staff. We have separate toilets for boys, girls, staff and parents. We do have regular health education for our students.

I request your cooperation and support in issuing the Health, Sanitary Conditions and Drinking Water Certificate for Notre Dame Academy.

Thanking You.
